

Grangegorman Public Consultation Workshop

Theme: Grangegorman & the Surrounding Neighbourhoods

How can we develop the campus in a way that promotes social inclusion & economic growth within the surrounding neighbourhoods?

1. Older persons
2. Lone parents
3. People with disabilities

4. Skilled workers
5. Semi skilled workers
6. Unskilled workers
7. Unemployed persons
8. People wanting to re-enter the workforce

9. Employers large
10. Employers – Small and SME
11. People wanting to start up their own business

12. Foreign nationals

13. Youth groups & sporting bodies
14. Cultural groups – Music, Art, Drama
15. Childcare

16. Community education providers
17. Community groups & networks

18. Homeless people
19. People with drug problems

What are the Key priorities that the new campus can address?

What features of the new campus would in your view make it a success?

North West Inner City RAPID Action Plan 2002

(Extract)

The North West Inner City RAPID Action Plan 2002 has identified a range of gaps in service provision that need to be addressed and include the following:

- Early Intervention for school leaving
- Tracking mechanisms for school leavers
- Range of targeted educational interventions
- School counsellors
- Adult education provision
- Education provision for non-Irish nationals
- Pre-school provision
- Creche/day care provision
- Range of progression routes from employment programmes
- Range of services to the elderly
- Premises for community projects
- Range of youth services
- Sports and leisure services
- Playgrounds
- Refurbishment and maintenance of housing stock
- Policing and other resources to address anti-social behaviour
- Community safety and traffic calming
- Holistic health service provision
- Lack of statutory consultation with community
- Family support services
- Drug rehabilitation services
- Co-ordination of service delivery
- Client centred service delivery
